Instead of carrying out your duty
in regard to my holy things,
you put others in charge of my sanctuary.

with only a wall between me and them,
they defiled my holy name by their detestable practices.

Ezekiel 43:1-5

On that day his feet will stand on the Mount of Olives,
east of Jerusalem, and the Mount of Olives will be split in two
from east to west, forming a great valley, with half of the mountain
moving north and half moving south.

Zechariah 14:4

After he said this, he was taken up before their very eyes,
and a cloud hid him from their sight.

They were looking intently up into the sky as he was going,
when suddenly two men dressed in white stood beside them.

"Men of Galilee," they said, "why do you stand here looking
into the sky? This same Jesus, who has been taken from you
into heaven, will come back in the same way
you have seen him go into heaven."

Then they returned to Jerusalem
from the hill called the Mount of Olives,
a Sabbath day's walk from the city.

Then the man brought me back to the outer gate of the sanctuary, the one facing east, and it was shut. The Lord said to me, "This gate is to remain shut. It must not be opened; no one may enter through it. It is to remain shut because the Lord, the God of Israel, has entered through it. The prince himself is the only one who may sit inside the gateway to eat in the presence of the Lord. He is to enter by way of the portico of the gateway and go out the same way."

Ezekiel 44: 1-3

I the Lord will be their God, and my servant David will be prince among them. I the Lord have spoken.

As an Islamic power that already controls Mecca and Medina, the two holiest sites in Islam, Saudi Arabia has shown increasing interest in gaining a significant foothold at the Al-Aqsa Mosque, Islam's third holiest site. Riyadh is looking to create a new status quo at the site and is willing to invest tens of billions of dollars in Jerusalem and the Temple Mount and agree to some form of normalization of ties with Israel to this end.

In return, Saudi Arabia wants a senior role, alongside Israel, in running the mount, instead of or alongside Jordan, among other things. Riyadh is poised to reap huge dividends from such a move. It will gain the status of a religious power that controls the three holiest sites in Islam as well as ensure the defeat of President Recep Tayyip Erdogan's Turkey, who has been unrelenting in his attempts to "liberate" the mount from Israel.
